

Please Note:

1. If you do not register in advance, we will be forced to cancel prior to the scheduled dates. We require a minimum of 20 members in a class or 4 to 6 members for field training.
CALL EARLY!
2. It is the discretion of the instructor to send a member home if the member's name is not on the roster and the class is full. You must pre-register for all classes.
3. If you are unable to attend a course that you are registered to attend, please call 781/821-0306 and inform the office so that another member may be able to attend the class, especially if it is full.
4. Any member wishing to take a course not scheduled should call the Apprenticeship Office to be placed on a waiting list. As soon as we have enough people, we will notify you to see if you are still interested. We will then schedule the necessary classes.
5. It is important to always dress for work conditions at the Engineers Training Center, especially if you are not scheduled for a classroom course. (Boots, work clothes, hardhat and no sneakers or casual clothing for outside training)

*****ALWAYS remember to check your licenses and certificates for expiration dates and pre-register for courses. *****

IF CLASSES ARE BEING CANCELED, YOU WILL BE NOTIFIED THROUGH MAIL AND E-MAIL.
